## **LODGES CLOSED**

**Dear Members and Guests**

As Members will be aware, over the weekend the entire State of NSW was placed in “lockdown”.

Both lodges are currently empty and as no-one can travel from any other regions to the Snowy Mountains and both resorts are “on hold”, the lodges are temporarily closed.

We are hopeful that this situation will only last for 7 days, but like everyone else, we have no way of predicting what the future holds.

To say that this is disappointing is an understatement. A tremendous amount of work has been undertaken by Louise to manage bookings and COVID related cancellations to date. In fact we experienced the heaviest bookings ever this season. Many of them however have since had to be cancelled due to COVID related issues. On a positive note, some people have been able to enjoy the lodges coming from regional and rural areas as well as the ACT.

We will report again as soon as the situation changes.

In the meantime, the Committee wishes all of Geebung’s Members and Guests the very best in these extremely difficult times.

Best regards,  
Geebung Ski Club Committee
