## **CHAIRMAN'S REPORT FOR 2018**

Hello Members, welcome to Geebungs AGM, and my report.

2018 will be recorded as a fiscally good year, due to new members and reduced spending on the Lodges. This however just means that we have a very big and expensive project coming up with the Lodge at Perisher. There will be some minor maintenance carried out at Thredbo, which will see our reserves depleted. Geebung has been in a very good position for so long, we have not needed to raise the tariffs or entry fee, however we must move with the times, and in accordance, the Committee decided to raise the entry fee and tariffs. We considered the options and made the decision based on good historical facts, we have kept the rise as minimal as we thought fit. Moving forward, the Club is continually improving the Lodges and the standard of accommodation that our members have come to expect.

The Perisher project will be completed by the beginning of the 2020 season. External cladding will change the appearance of the Lodge, and will help insulate the Lodge, leading to better efficiency of heating and sustaining quality temperature inside the Lodge. The Thredbo Lodge will have the water heaters upgrade for this coming season. There will be some small maintenance carried out as well.

We had new managers in Thredbo this past year, which was a success, and Keith is still doing a marvellous job at Perisher. Louise is still taking the Bookings and doing a fantastic job, well done team.

I would like to welcome our new members and look forward to meeting you over the course of the year or at the Lodges. It is great to see the demand for Ski Clubs continues to grow.

I would like this opportunity to thank all the committee members, on behalf of the Club and Committee, who tirelessly give their time and energy for the reward of making your club; a place to be; a place to enjoy with your family and guests; at an affordable rate; with state of art friendliness. If you wish to be involved with helping the club, or joining the committee, please feel free to contact any committee member. Remember it's your club.

Yours in skiing,

George Hamilton  
Chairman
