Re: Special COVID Levy and Geebung Vaccination Policy

Dear Geebung Ski Club Members,

Please find below an update to all Members from the Geebung Ski Club Committee.

Special Levy

On 1st November 2021 you will be emailed your subscription for 2022 which will include a special levy. Members will recall that in September 2021 the committee resolved on a preliminary basis, to levy members \$150 each, to make up some of the shortfall in revenue from this year's lockdowns. Click [here](#) to view past communications.

As nothing in substance has changed since that resolution, the Committee has decided to confirm that decision. If any member is suffering financial hardship and requires an extension to pay, do not be embarrassed to make an application in writing before the due date.

COVID-19 Rules from 1st November 2021

After careful consideration the committee has unanimously resolved that from 1st November 2021 no member, guest or visitor over the age of 16, will be granted entry to the Geebung Lodges unless they are fully vaccinated against COVID-19.

The reasoning is that the Geebung Committee has a moral duty to keep all our members, guests and staff as safe as is reasonably possible. As lodge life involves people mixing in close proximity, and as vaccination appears to be the best protection against Covid, the only sensible course is to exclude unvaccinated people from our lodges.

View the [new booking rules](#) that incorporate these changes – they are also found on the Geebung website. The online booking system will also be changed so that when booking, a member will be required to certify that all people in their booking are fully vaccinated and have read and understood the rules.

The lodge managers will be asked to check for proof of vaccination and any member, guest or visitor that is unable to provide proof of vaccination status will be asked to leave.

In due course the rules will probably be expanded to children under 16 in line with the vaccine roll out, and when that occurs we will consider a reasonable time frame for younger members to obtain their shots.

Thank you for your understanding and cooperation.

WINTER 2022 BOOKINGS

Bookings for Winter 2022 open when your 2022 subscription has been paid.

NEW MANAGER FOR THREDBO LODGE

The committee is pleased to announce that a new manager for Thredbo has been engaged and will formally commence the role on 4th November.

Her name is Mandy Lamont and we are sure you will make her most welcome.
